**Subject: Application for the post of “Junior Software engineer (web designer)”.**

Dear HR,

I would like to introduce myself to you as I believe I have the skills, qualifications, and experience necessary to make significant contribution to your organization.

I have got my graduation degree Bachelor of Arts in sociology from Govt Titumir College.

You would be glad to know that I am an experienced **Frontend Developer** with proven skills- PSD to HTML conversion, pixel-perfect responsive web page, cross-browser compatibility and etc.

I have completed several projects using HTML5, CSS3, SASS, JavaScript, and React. All of my projects, portfolio, and GitHub links are mentioned in the attached CV.

I believe working in a reputed organization like your one will provide me an excellent opportunity for my career. I would truly be grateful if I finally selected for the post and I will prove myself to be an important asset for your company through my dedication, sincerity and highest level to professionalism

Sincerely,

---

Mosiur Rahman
